CONSTRUCTED LANDSCAPE

CONCEPTUAL: RULES

Maybe you are walking around campus going to and from classes, maybe you are just wandering around your hometown; wherever you go, just bring your camera and remember to look up, look ahead, and look at life.

Whenever you start to daydream on your walk, find something in the real world to take a photo of and enjoy the simple things in life.

F-STOP = f/8 SHUTTER SPEED = 1/125
